Consumers Credit Union Unveils New Digital Banking Experience from Digital Insight

March 19, 2015 at 8:30 AM EDT

Innovative digital banking solutions complement credit union's mission to make 'every banking experience the best ever'

DULUTH, Ga.--(BUSINESS WIRE)--Mar. 19, 2015-- NCR Corporation (NYSE: NCR), the global leader in consumer transaction technologies, announced that Consumers Credit Union, headquartered in Kalamazoo, Mich, recently unveiled a new online and mobile experience powered by Digital Insight, an NCR company.

Consumers Credit Union is offering Digital Insight's suite of cloud solutions including Online Banking, iOS and Android mobile and tablet banking, FinanceWorks Personal Financial Management solution and Purchase Rewards (a cash-back, loyalty program).

"Consumers Credit Union mission is to provide superior member service through education and exceptional products," said Chief Operating Officer Scott Sylvester. "Early feedback from our members tells us that we are living our mission through our new Online Banking services. Digital Insight's innovative cloud solutions and professional staff made the conversion a non-event for our members."

Digital Insight enjoys a 4.6 star rating on the Apple App Store and, [according to an independent industry expert](#), nine of the top 10-rated banking apps are powered by Digital Insight.

"Digital Insight is committed to helping credit unions, such as Consumers, delight their customers with amazing user experiences," said Jeff Hughes, general manager of Digital Insight and CTO of NCR Financial Services. "We are excited to be working with Consumers Credit Union to help them continue to make every banking experience the best ever."
