

The United States Postal Service Delivers Second Supplier Performance Award to NCR Corporation

July 27, 2016 at 8:00 AM EDT

DULUTH, Ga.--(BUSINESS WIRE)--Jul. 27, 2016-- [NCR Corporation](#) (NYSE: NCR), a global leader in omni-channel solutions, announces that it has been recognized for excellence by the United States Postal Service (USPS) through its Supplier Performance Award program. The award was presented on June 29 at the 2015 Supplier Performance Awards Ceremony and Reception at the USPS Headquarters Building in Washington, D.C.

This is the second time NCR has won this prestigious award in recognition of its role in helping the USPS improve supply chain management and provide its customers with a better experience and new services in Post Offices across the United States.

"For 135 years, NCR has worked at the intersection of consumer expectations and business process, uniting the two through innovative software, brilliant device technology and amazing consumer experiences. I am exceptionally proud of our 20 year partnership with the USPS; working together we have been able to make everyday customer interactions easier, deliver value and enable better experiences," stated NCR Chairman and Chief Executive Officer Bill Nuti. "Our relationship with the Postal Service is a true partnership with mutual dedication to high quality service, innovation and productivity."

NCR has been a technology partner to the USPS for more than two decades, providing it with a wide range of software, hardware and services, to enable faster and more efficient consumer interactions.

"NCR is truly honored to receive the Supplier Performance Award from the U.S. Postal Service. This award reflects NCR's dedication to the USPS mission by delivering superior customer service, solutions and software to help operate and support Post Offices nationwide," stated Stan Ratcliffe, president of NCR Government Systems. "NCR takes great pride in its long-standing partnership with the USPS, and we hope to build on our partnership for many years."

One particular area of merit cited in the presentation of NCR's award was improvements in efficiency and availability realized by the USPS through NCR's service desk. This managed service helps the USPS rapidly resolve technical issues, pinpoint improvement opportunities across the entire enterprise and take immediate corrective action.
