ATLANTA--(BUSINESS WIRE)--Aug. 29, 2018-- [NCR Corporation](#) (NYSE:NCR), a global leader in omni-channel solutions, today announced that following an extensive global search, Andre Fernandez has joined the company's Executive Leadership team as Chief Financial Officer, effective immediately. He succeeds Bob Fishman, who previously announced his forthcoming retirement.

"NCR is thrilled to have a proven leader like Andre join our team," said NCR President and CEO Mike Hayford. "He brings strong experience in working with the investor community, handling due diligence and integration for M&A and partnering with business units to help drive operating efficiency and profitability. Andre's unique blend of C-Level executive experience, including CEO, COO and CFO positions and background in guiding and advising business units for customer-centric and profitable growth, will be a significant advantage for NCR as we move forward."

Andre began his career on Wall Street in investment banking with Brown Brothers Harriman & Co. and Merrill Lynch International in New York and London. He also enjoyed a successful 12-year career at the General Electric Company (NYSE: GE), holding CFO positions across several business units in multiple countries. He led numerous acquisitions aligned with business unit strategy at GE, including international transactions in Latin America and Europe. While serving as CFO and Controller of GE Latin America, he was Chairman of the Audit Committee for GE Capital Bank Mexico, leading bank financial oversight, controllership and regulatory compliance. Earlier in his career, he was Treasurer and FP&A Manager for a manufacturing and services division of United Technologies in Brazil.

Most recently, Andre was the President & CEO of CBS Radio, where, in addition to holding full operational and P&L responsibility, he led the effort to prepare the company for a potential IPO, including cross-functional preparation of S-1 documentation, investor roadshows and debt financing.

Prior to joining CBS Radio, he was with Journal Communications (NYSE: JRN), a publicly-traded, diversified media company, where he served as the company's Chief Financial Officer and EVP of Finance and Strategy. At Journal, he led all financial, audit, strategic planning, investor relations and risk management activities before being promoted to President and Chief Operating Officer, when he assumed responsibility for all day-to-day operations and full P&L accountability.

Andre is currently the Vice Chairman of the Board at Froedtert Health, a \$2+ billion regional healthcare system based in Wisconsin, where he is also the Chair of the Finance Committee. He has also served on the Board of Directors of Buffalo Wild Wings (Nasdaq: BWLD), the National Association of Broadcasters (NAB), and the FCC's Advisory Committee on Diversity & Digital Empowerment (ACDDE).

Andre is fluent in English, Spanish and Portuguese and holds a bachelor's degree in economics from Harvard University.

"I could not be more excited to join such an iconic company as NCR," said Fernandez.
