NCR Named Number One POS Software Vendor Worldwide

January 16, 2023 at 8:00 AM EST

ATLANTA--(BUSINESS WIRE)--Jan. 16, 2023-- [NCR Corporation](#) (NYSE: NCR), a leading enterprise technology provider, has been recognized as the number one global point of sale (POS) software vendor in research and consulting firm RBR's Global POS Software 2022 report.

NCR had the highest share of global POS software installations – 15% – ranking first for retailers and restaurant operators. NCR was the largest supplier in the Grocery+ category, which includes grocery, convenience and drug stores. We also led global share of new installations across all vendors.

Since RBR began publishing the report in 2016, NCR has consistently ranked as the top POS vendor globally.

"NCR continues to prove it is the technology provider of choice to connect our customers' systems and endpoints to deliver a consistent consumer experience," said David Wilkinson, president and general manager, NCR Commerce. "The [NCR Commerce Platform](#) enables quick innovation so stores and restaurants can easily and efficiently meet consumer demand."

With RBR predicting nearly two million new POS software deployments through 2027, NCR's solutions and support will continue to enable stores and restaurants to stay ahead of their competition.

The [Global POS Software 2022 report](#) is based on an analysis of projects with more than 1,000 POS installations globally, by more than 100 suppliers and comprising 8.7 million POS installations. The report includes commentary and insights into eight segments across grocery, general merchandise and hospitality industries in 48 individual country markets and across six regions.
