

Union Bank of the Philippines Embraces NCR ATM as a Service to Enhance Self-Service Banking

July 27, 2023 at 8:00 AM EDT

ATLANTA--(BUSINESS WIRE)--Jul. 27, 2023-- [NCR Corporation](#) (NYSE: NCR), a leading enterprise technology provider, announced today that [Union Bank of the Philippines](#) has selected NCR's [ATM as a Service](#) solution to revolutionize, connect and streamline their self-service banking operations.

UnionBank is committed to being the Philippines' foremost digital-first bank, catering to the evolving needs of Filipinos nationwide. By leveraging NCR ATM as a Service, UnionBank's customers will enjoy enhanced availability, improved uptime and expanded capabilities at their ATMs. By transferring the maintenance and management of their ATM fleet, comprising over 400 ATMs, to NCR, the bank aims to enhance operational efficiencies while bolstering compliance and security measures.

"We have a proven history of embracing innovation, and NCR's ATM as a Service solution aligns perfectly with our mission to modernize our self-service channel and accelerate the delivery of new features and functionality to the market," said Dennis Omila, Executive Vice President, Chief Technology and Operations Officer at UnionBank. Magz Magbanua, Senior Vice President, Head of Corporate and Digital Operations, added, "NCR's technology, operational expertise, and strategic guidance will support our bank as we expand our ATM network, not only in terms of physical presence but also in capabilities, enabling us to unlock new value for our customers."

"UnionBank knows the critical role evolving their technology strategy plays in meeting customers' changing expectations," said Stuart Mackinnon, EVP, ATM Group, NCR Banking. "In choosing our ATM as a Service solution, they entrust hardware and software management to an experienced provider, freeing time and resources to focus on growth and strengthening customer relationships. We are proud to support UnionBank and help power the expansion and evolution of their self-service banking network."
