

NCR Voyix Remains the Largest Supplier of POS Software Globally, According to RBR Data Services Report

December 5, 2024 at 3:08 PM EST

ATLANTA--(BUSINESS WIRE)--Dec. 5, 2024-- [NCR Voyix Corporation](#) (NYSE: VYX), a leading global provider of digital commerce solutions, has cemented its position as the world's largest supplier of point of sale (POS) software for the eighth consecutive year in [Global POS Software 2024](#), a study from RBR Data Services, a division of research and consulting firm Datos Insights.

Since the study began, NCR Voyix has consistently stood out as the top POS provider in the Commerce marketplace. In 2024, the company is the largest provider of POS software in the Grocery+ segment (grocery, convenience and drug stores) globally and remains a leader in the Hospitality+ segment (restaurants and hotels). NCR Voyix's continued strength in the report is a product of the company's commitment to software innovation, and a recognition of technology's integral role in these fast-paced markets.

"NCR Voyix's mission is to empower retailers and restaurants to focus on their core businesses, enhance their operational efficiencies, and deliver outstanding guest experiences," said David Wilkinson, NCR Voyix CEO. "We are always proud to see the results of RBR's study, which reflects the global base of customers that leverage our market-leading technology to run their stores and restaurants."

The Global POS Software 2024 study analyzed over 2,600 POS projects worldwide by more than 140 industry suppliers, affecting nearly 9.5 million total POS setups. The report covers businesses with 1,000 or more POS lanes across grocery, general merchandise, and hospitality industries across 48 countries and six global regions.
