

NCR Voyix Commences Hardware Business Transition With Ennoconn

January 8, 2026 at 4:05 PM EST

ATLANTA--(BUSINESS WIRE)--Jan. 8, 2026-- NCR Voyix Corporation (NYSE: VYX), a platform-powered leader in unified commerce for shopping and dining, today announced the commencement of the previously disclosed transition of its self-checkout and point-of-sale hardware businesses to an outsourced original design and manufacturing model through its commercial agreement with Ennoconn Corporation, a global technology solutions provider delivering world-class Industrial intelligent IoT, AI and Embedded Technology solutions.

Under the agreement, Ennoconn will design, manufacture, warrant, supply and ship self-checkout and point-of-sale hardware directly to NCR Voyix customers, with NCR Voyix acting as a hardware sales agent coordinating the purchase and delivery of hardware to customers. As a result of the hardware transition, NCR Voyix is expected to record revenue from hardware sales on a net basis, starting in the second quarter of 2026.

"Ennoconn has been a decades-long supplier of NCR Voyix," stated James G. Kelly, President and Chief Executive Officer of NCR Voyix. "This transition ensures our customers will maintain access to market-leading hardware technology while allowing us to focus squarely on advancing our platform-led software strategy."
