

NCR Voyix Announces Increase to Share Repurchase Program Authorization

February 17, 2026 at 5:00 PM EST

ATLANTA--(BUSINESS WIRE)--Feb. 17, 2026-- NCR Voyix Corporation (NYSE: VYX) ("NCR Voyix" or the "Company"), a platform-powered leader in unified commerce for shopping and dining, announced that its Board of Directors (the "Board") has authorized an incremental increase to the Company's existing share repurchase program, bringing the total authorization under the program to \$300 million.

"This buyback authorization reinforces the confidence of the Board and management in the strength and trajectory of the Company as we maintain a disciplined capital allocation strategy," stated James G. Kelly, President and Chief Executive Officer of NCR Voyix.

The Company may utilize the amended share repurchase program from time to time at the discretion of management to opportunistically repurchase shares of the Company's common stock and Series A Convertible Preferred Stock based on a variety of factors, including stock price, the Company's performance, market conditions and other possible uses of cash.

About NCR Voyix

NCR Voyix Corporation (NYSE: VYX) is a global platform-powered leader in unified commerce for shopping and dining. Forward-Looking Statements

This release includes statements which may constitute "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, and Section 21E of the Securities Exchange Act of 1934. Forward looking statements are subject to risks, uncertainties and assumptions as to future events that may not prove to be accurate. In some cases, you can identify forward-looking statements by using words such as "may," "could," "expect," "intend," "plan," "seek," "anticipate," "believe," "approximate," "predict," "potential," or "continue" or any other similar terminology intended to identify forward-looking statements. Examples of forward-looking statements include, but are not limited to, statements relating to the existing share repurchase program; the expected utilization of the program, including the types of equity securities available for repurchase under the program; or the timing, manner, amount or any dependencies of futures purchases, including, among others, the Company's stock price, performance or other uses of cash, as well as the Company's future prospects, business strategies or objectives for future operations. Actual results may differ materially from forward-looking statements expressed or implied in this release, and the Company assumes no obligation, except where required by law, to update any forward-looking statements made in this press release or to conform such statements to actual results or changes in the Company's expectations.
