Explanation of Responses:

- These are restricted stock units acquired under the NCR Director Compensation Program (the "Compensation Program") as part of the annual equity grant to directors. The restricted stock units vest in four equal quarterly installments beginning three months after the grant date, subject to the reporting person's continued service as a director on each vesting date. The restricted stock units may be paid only in shares of NCR common stock. The reporting person elected to defer receipt of the common stock underlying the restricted stock units in accordance with the terms of the Compensation Program. The reporting person will receive the common stock following the termination of the reporting person's services as a director.
- These are stock options granted under the Compensation Program as part of the annual equity grant to directors.
