Attention employee stockholders:

(1) Electronic Voting

If you are a "registered" stockholder (holding NCR stock in your own name rather than through a nominee such as a bank or broker) you can vote your proxy by accessing the Internet voting website at <http://www.voteproxy.com>. You will need the control number found on your proxy card to vote over the Internet.

If you own your NCR stock through Merrill Lynch under the Employee Stock Purchase Plan (ESPP) you can access <http://www.proxyvote.com> to vote electronically. You will need to use the control number provided with your proxy materials to vote electronically at this site.

Finally, if you hold your NCR shares in street name through a nominee (such as in a bank or brokerage account), you may receive similar instructions on how to vote electronically with your proxy statement.

(2) Electronic Delivery of Proxy Materials

Registered stockholders may consent to electronic delivery online at <http://www.investpower.com>, by clicking on "Enroll to receive mailings via e-mail" and completing the online consent form. If you provide your consent, you will receive future NCR annual reports and proxy statements via an e-mail that directs you to an Internet site where the materials will be posted. We will continue to deliver these materials to you electronically until you revoke your consent by notifying American Stock Transfer and Trust Company at 1-800-937-5449. You may also request printed copies of these materials by calling NCR Investor Relations at 937-445-5905.

If you own your NCR stock through the ESPP, you may also consent to electronic delivery of future proxy statements and annual reports by completing the enrollment form at the end of the <http://www.proxyvote.com> Internet voting site.

If you hold your NCR stock through another nominee, such as a bank or broker, you should also check the instructions provided by your nominee on how to receive future proxy statements and annual reports electronically.

No matter how you hold your NCR stock, we strongly recommend that, if possible, you take advantage of these cost-saving opportunities by voting electronically and registering for electronic delivery of future proxy statements and annual reports.

(3) Eliminating Duplicative Mailings

If you are a registered stockholder with multiple accounts or have the same address as other NCR registered stockholders, you may discontinue mailings of multiple annual reports and proxy statements by marking the designated box on the appropriate proxy card(s). Please make sure that at least one account continues to receive these materials. Eliminating these duplicate mailings will not affect your receipt of future proxy cards for any account. NCR will resume mailing these materials within 30 days if you change your mind and want to receive a separate annual report and proxy statement for any account. To resume

the mailing of an annual report and proxy statement to an account or to receive separate copies of such materials, please call NCR stockholder services at 1-800-NCR-2303 (1-800-627-2303).

If you own NCR common stock beneficially through a nominee (such as a bank or broker) and receive more than one NCR annual report and proxy statement, please consider giving permission to your nominee to eliminate duplicate mailings.
