On January 30, 2008, the Company released certain unaudited financial information with respect to its fiscal quarter ended December 31, 2007. After further review by management, the Company has made certain adjustments to its fourth quarter and full year 2007 Consolidated Financial Statements. Our previously released 2007 net income per diluted share was \$1.45 per share as compared to our revised \$1.50 per share. Our previously released net income per diluted share for the fourth quarter of 2007 was \$0.43 per share as compared to our revised \$0.48 per share. The differences between the previously released results and the revised results primarily relate to the finalization of our tax provision for the year ended December 31, 2007.
